

THE IMMANUEL YEAR.

THE GREAT YEAR WHOSE DAY IS THE SOLI-LUNAR CYCLE OF 33 YEARS, 7 MONTHS,
 Whose Months are Millenaries, in the course of seven of which—answering to the seven natural Months of the Feasts of the Lord,
 IMMANUELS EARTHLY LIFE TIME,
 WHICH TYPIFIED THE HISTORY OF REDEMPTION,
 THE TYPE IS FULFILLED ON THE SCALE OF A SOLI-LUNAR YEAR TO A DAY.
